MISCELLANEOUS DEPARTMENTS

OFFICE OF THE PUBLICITY OFFICER TO THE GOVERNMENT OF MYSORE, BANGALORE.

(PUBLIC OFFICES.)

Notification, dated 29th January 1944.

Press Note.

The quantities up to which the several officers are empowered to issue permits for transport of foodgrains from place to place, have been indicated in Notification No. 6805-6—Spl., dated the 11th January 1944, published on page 34, Part III—2 of the *Mysore Gazette*, dated the 13th January 1944 and also in Press Notes, dated the 11th and 12th January 1944.

The public are further informed that the permit should be surrendered immediately after a consignment is transported at the place of destination, whether the entire quantity mentioned in the permit has been moved in that consignment or not. With a view to avoiding difficulties likely to be caused by such surrender of permits in cases where the entire quantity permitted cannot be moved in one consignment, it is necessary that applications should be made only for the particular quantity which is intended to be moved in that trip. Separate permit or permits should be obtained for each consignment.

The abovementioned restrictions are found to be necessary to note movements of grains and to check the abuse of permits by transport of quantities larger than allowed.
